Your Responsibility

Information is a critical asset to the U.S. government. It is your responsibility to protect government sensitive and classified information that has been entrusted to you.

Please contact your security point of contact for more information about classification or handling of information.

Acknowledgment of USDA Rules of Behavior and Next Steps

Congratulations!

You have almost completed the "FY2017 USDA Information Security Awareness and Rules of Behavior" training course. However, USDA is required by law to ensure that anyone who utilizes USDA Information Technology (IT) and Information System (IS) resources is aware of his or her responsibilities, and complies and acknowledges those responsibilities as outlined in this training, USDA policies, and system specific rules by signing either electronically or printing and signing below, signed acknowledgement must be submitted to the agency ISSPM to be maintained on file. [I understand being allowed to forego reading the ISA mandatory training materials if I take and pass the ISA Pre-Exam does not exempt me from my responsibility to know and follow USDA and agency Security policies, procedures and RoB at all times.](#)"

This confirms that I have read and understand the Rules of Behavior as identified in this training, and understand that this may not address all RoB contained in USDA and agency policies, procedures and system specific rules, I further understand that completion of this training does not exempt me from my responsibility to know and follow all USDA and agency policies, and procedures for RoB at all times.

I understand that once USDA has issued my LincPass or AltLinc card it is my responsibility to use the card to access the USDA or agency network and systems at all times and report any problems with the use of the LincPass or AltLinc to my designated LincPass/AltLinc coordinator, I also understand that I must return my LincPass card to my designated LincPass coordinator or designated person as outlined by agency policy when no longer needed.
