SUBJECT: FSA System Development Life Cycle (SDLC) Web site Migration to Percussion

The FSA SDLC Web site content will be migrated from Oracle UCM to Percussion on 10/23/2015. The new home Web page for the SDLC will remain the same at www.fsa.usda.gov/sdlc, however, bookmarks to any sections within the site will no longer be valid.

All URLs to content within the old SDLC site will be redirected to the SDLC's new home Web page for a period of 6 months; existing bookmarks should be updated in that 6 month period.

Questions should be directed to Matt Stropes, AMC-AO, 816-926-2737.
